ALWAYS DO YOUR BEST!

Resources in the **Smart Start™** Series support a logical and friendly approach to handwriting. The lines are color-coded, with a yellow top line to denote the “sky” and a blue bottom line to denote the “ground.” This color-coding allows children to quickly identify the correct lines as teachers give specific directions such as, “Start at the sky and pull down to the ground.” The high-quality Smart Start paper erases easily, and the color-coding makes it easy for every child to practice good handwriting skills.
